I know that some of these are far away, but if you carpool you can make a day out of it and have a fun time. It really is nice to go to other areas and see and meet our TOPS Pals. So why don't you just try it.

I want to give a BIG THANK YOU to all the chapters who turned in their L-001 Officers Chart for 2011. When there is a due date on paperwork it is ALWAYS important to get the paperwork in on time. If you need help in filling out the paperwork, I am always willing to help out! I always put my information at the bottom of every newsletter for you. So please call me if you need help.

I have made a conformation date for our first Rally day in the Stanislaus County area. We will be having our Rally on September 24, 2011. I know this seems like a L O N G time from now but guess what, that is just around the corner. So if we start to make plans NOW then we will have a big turn out. More details to follow.

SRD is coming please make sure that all the paperwork gets in onetime. There are a few rooms at Hampton Inn 559-732-3900 and still more at the Lamp Liter Inn 559-732-4511. Make sure you mention you are with TOPS.

The beginning of April we start off with new officers and some of the other ones still hold their positions. Thank you to all of you who are our officers for this year. It is always greatly appreciated for all the hard you do for your chapters. Keep up the good work!

As always, please read these newsletters at you chapters. If you have any questions or answers feel free to contact me at the information below.

Take care, Becky
