

Area Captain Newsletter for May

Hello Leaders and TOPS Pals,

It was so nice to see some of you at the State Recognition Days (SRD) It really is amazing to be behind the scenes and to see all the HARD work we all do to make this such a success. I am very impressed. The Tea tables were just beautiful, I am still waiting for some of the pictures that people were taking to send to me. I try to describe to people how beautiful the tables were and I really do not give it any justice what-so-ever. I guess it is just one of those things that you need to see for yourself. They were so beautiful. The people who do the Tea Tables are so talented. I have heard about them for a few years now but this is the first time I have seen them.

The whole weekend went very well. There was so much to see. The baskets were just beautiful, the imagination that some of the chapters have is so inspiring. We all seem to get many ideas from these baskets for the next time around. I even won one of the baskets. I was getting a little nervous there for a while. They had 91 baskets and I won number 88.

I have to keep up my winning streak with the baskets.

So much hard work goes into doing these SRD's and we all worked well together. A job well done!! Thank you to everyone!

Our Rally Day is still on September 24, 2011. We will have it on a Saturday and it will be at the CA 1034 Oakdale Chapter. The address is:

Church of the Nazarene
1700 W F Street
Fellowship Hall
Oakdale, CA 95361

Please start announcing this in your meetings about our Rally Day. The more you announce this the more people will show up. Mark it on your calendars. It will be here before you know it. They really are a lot of FUN.

I have asked a few Leaders for their phone numbers and so far everyone has gotten back to me. Thank you for responding so quickly on this matter.

I am planning to come out to my Chapters to do the Area Captain Super Foods program. I am going to try to get some done this next month. I will be calling the Leaders to get a conformation date so I can come out there.

As always, please read this newsletter to your chapter. You can contact me if you need me for anything my information is always at the bottom of the newsletters.

Take care, Becky
