

TOPS Mission - Vision - Strategy

This worksheet is a guide to assist Chapter Officers to evaluate their chapters and to decide how to insure a successful future.

The mission of TOPS is ***“to support our members as they take off and keep off pounds sensibly”***. Look within yourself to discover how you, as a chapter officer, can help to accomplish this mission.

You are in the business of saving lives; therefore you need to understand where you and your chapter are and where you want to see your TOPS chapter go in the future.

1. What part will YOU play in the journey to success?

2. How will YOU inspire others to follow you on this road?

3. What are your chapter’s strengths and weaknesses?

4. What would you like to see change in your chapter to help your members?

5. Who will be on your team? How will you collect ideas from them?

6. What are the ideas?

7. What are the advantages and disadvantages of these ideas?

8. Summarize your findings and submit to your field staff.
