

**JEAN'S BRIEFS for NOVEMBER 2011**

**WALK!!!! WALK!!!! WALK!!!!**

I will be holding 2 Fall Foliage Walks again this year. On November 5 Rhoddie and I will be combining a walk for the North County chapters at Lake Miramar. Look for our canopy and table. We'll be easy to spot. I will also be holding one at Santee Lakes on November 19. We'll start at the General Store. You may enter the park for a fee or park on Lake Canyon Road and walk in. The General Store is located right inside the gate. Both will start at 8 AM. What better way is there to start your holidays out right than by walking through two of the most beautiful parks in San Diego?

**NOVEMBER WORKSHOP**

I hope you are all planning to attend the November Workshop in Santee on November 12. It will be held at the Mission Del Magnolia Mobile Home Park, 10800 Woodside Avenue, Santee, from 9 AM to 1 PM. Besides a short workshop, we'll be having a Christmas Bazaar where chapters will be selling crafts to help raise money for their chapters. Please come out and support them. They put lots of time and money into making these things and they need your support.

**WEIGHT RECORDING**

**Q&A TIME**

Yes, it'll soon be that time of before you have to face the old weight charts. Please feel free to call me if you have any questions at all. I'm never too busy to pick up the phone and answer any questions you may have. And remember----no question is a dumb one. It's probably the same question many others have already asked or at least wanted to!!! It's better to have it right the first time than to have us have to correct it later. I'll also be holding my usual workshop on January 7 in Santee to go over the weight charts. You can hand them in at that time if you want to save your chapter some postage.

the year again. It won't be long dreaded "end of the year"
