

# Have you heard the "buzz"? Our Area has a new "mascot"!

## Why a bee?

Bees share several characteristics with TOPS members.

Bees are busy -

TOPS members are too...so busy in fact that at times we forget to take care of ourselves.

Bees work together for the benefit of the hive -

TOPS members work together to support each other.

Bees' efforts produce beautiful flowers & fruits -

Our efforts produce beautiful and healthier members.

Bees have accomplished the impossible by overcoming aerodynamic challenges to be able to fly -

TOPS members often think that their challenges are impossible also, but with the support of their chapters they too can overcome them.

You will each have an opportunity to purchase a bee pin (see sample above) to help you remember these principles and reach and/or maintain your goal.

Please fill out the form below and mail it, along with your chapter check payable to So. Calif. TOPS Area Fund to:
