How's everyone's Journey on the road to success going? Are you hitting any road blocks? If so is your chapter getting a construction crew together to help smooth things out? Any road blocks? Are you taking care of your Car? Remember to Journal, eat sensible, exercise and seek out the support of your chapter members.

Fun shop was great thanks for the wonderful support.

Barb reminds us that Election of officers were to take place the first of March and some chapter haven't sent in there forms yet.

Please complete Form L-001 Officers Chart and get it to Barbara Groves, 2312 W Rosewood, Spokane WA 99208 as soon as possible. Once she receives the information she will let TOPS headquarters know. There will be a mailing sent from TOPS Headquarters in April and your chapter may miss out if your officer information has not been received. If you would like me to attend your installation of officers please call me and I will try and attend. Thanks

Each chapter Leader should have received your SRD Packet. Please share the information with your chapter. We need skits or talent. Please let Barbara Groves know by April 15th if your chapter or a chapter member wishes to do a skit or talent. SRD is June 3 & 4 in Spokane.

**If you couldn't make it to the Wenatchee Funshop there's a Funshop in Spokane that you are welcome to attend.**
