

AREA CAPTAIN LETTER SURVEY

PLEASE GIVE THIS TO YOUR NEWLY ELECTED LEADER
MUST BE RETURNED BEFORE APRIL 15TH

An idea has been proposed that area captains e-mail their letters to the leader (or chapter contact) instead of mailing them through the U.S. Postal Service. This would save the cost of postage and get the letters out to you in a timelier fashion.

This survey is for the purpose of finding out what your thoughts are on this idea.

Please scan this survey and e-mail it to darlenechuc@aol.com , send it through the U.S. Postal Service or you e-mail me with your response. If you are unable to do any of those three options, you may call me and leave a message on my machine with your answers. My phone number is 360-658-1311.

The important thing is that I get a response from each chapter leader by April 15th

Your chapter name: _____

Your Name: _____

Do you have an e-mail address that you read on a regular basis? _____ **YES** or _____
NO

If the answer is **YES**, what is your e-mail address: _____

If the answer is **NO**, is there an officer or a member in your chapter that has an e-mail address (that they read on a regular basis) and that you feel could be designated as receiving the letters and responsible for printing them and bringing them to you? _____
YES or _____ **NO**

If so, what is this person's name: _____

What is their e-mail address: _____

Please check the appropriate line below:

_____ I would be willing to receive the area captain letters through either my e-mail address or the above listed person's e-mail address.

_____ I would prefer to continue receiving the area captain letters only through the U.S. Postal Service.

Thank you for your cooperation in completing this important survey.
