

Hello and Happy Holidays!

Please see attached my December 2011 newsletter that's full of good information and reminders as well as my New Year's message to all members. Also is the Chapter notes from the November Board of Directors meeting. Please print and share this email and the attachments at your next chapter meeting.

And the third attachment is a list of all the chapters in the area by Area Captain with contact information for each Area Captain. As of January 1st some chapters will have a new Area Captain so check for your chapter on the lists. You can print just the page that has your chapter on it if you wish. You will be receiving a letter of introduction soon if you have a new Area Captain. Actually there is only one NEW AC as the others are just being re-aligned in the area. Please welcome Judy Westlake to our area field staff team.

Join me in bidding farewell to three Area Captains who are resigning at year end. They all, however, will remain members active in their TOPS Chapters. Please send them retirement notes and gifts as you wish. They are:
