

BRENDA'S BLAZING FACTS

1-27-2012

Hello to One and All,

Holidays are over, the snow has gone and the rain has returned so get out the umbrella and let's get going. A new year is here and it is time to start going in the right direction again.

I want to thank all of the weight recorders for getting the weight charts and resumes to Jyl on time. I should be hearing results soon. Good luck to all.

Don't forget to send the results for the KOPS Society Contest to me by the 18th of February. That is the next KOPS Society Meeting. It will be held at my house at 3412 ne 132nd Ave, Vancouver, WA 98682. It will begin at 11 AM with a potluck lunch after. We have several new KOPS so I hope to see you here along with our regular KOPS.

Next up is the Election of officers. They should be held the 1st week of March with Installation the last week of March. Be sure and send your Officer charts to Jyl as soon as the elections are over. Officers should be approved before they are installed. New officers take office the first week in April.

I am enclosing the Area Captain I Care Report in this letter. Please run off the copies you need for your chapter. It lets me know how your chapter is doing the extra communications are great. I pick up some good ideas to share to my other chapters.

I want to thank all of you for the postage stamps I received in 2011. They really came in handy, as they always do.

SRD "TOPS Lights The Way" will be May 11th + 12th at Oceans Shores Washington. Make plans to attend and pick up information and have lots of fun.

I am always available to you if you need any help. Feel free to call me 360-892-9975 or email me at: All4blazer@centurylink.net Please give the new Email address to all officers and remember: WITTY... we're in this together, yeah!

Take care,

Brenda Birdwell
TOPS Area Captain
